AN ACT CONCERNING AUTOMOBILE INSURANCE.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- 1 Section 1. Section 38a-686 of the general statutes is repealed and the
- 2 following is substituted in lieu thereof (*Effective October 1, 2009*):
- 3 The following standards, methods and criteria shall apply to the
- 4 making and use of rates pertaining to personal risk insurance:
- 5 (a) Rates shall not be excessive, inadequate or unfairly
- 6 discriminatory.
- 7 (1) A rate in a competitive market is not excessive. A rate in a
- 8 noncompetitive market including a rate for insurance provided
- 9 pursuant to sections 38a-328, 38a-329 and 38a-670 is excessive if it is
- 10 unreasonably high for the insurance provided.
- 11 (2) No rate shall be held inadequate unless (A) it is unreasonably
- 12 low for the insurance provided, and (B) continued use of it would
- 13 endanger solvency of the insurer, or unless (C) such rate is
- 14 unreasonably low for the insurance provided and the use of such rate
- 15 by the insurer using same has, or, if continued will have, the effect of
- 16 destroying competition or creating a monopoly.
- 17 (b) In determining whether rates comply with the excessiveness
- 18 standard in a noncompetitive market under subdivision (1) of

- subsection (a) of this section, the inadequacy standard under subdivision (2) of subsection (a) of this section and the requirement that rates not be unfairly discriminatory, the following criteria shall apply:
- 23 (1) Consideration may be given, to the extent possible, to past and 24 prospective loss experience within and outside this state, to 25 conflagration and catastrophe hazards, to a reasonable margin for 26 underwriting profit and contingencies, to past and prospective 27 expenses both country-wide and those specially applicable to this 28 state, to investment income earned or realized by insurers both from 29 their unearned premium and loss reserve funds, and to all other 30 factors, including judgment factors, deemed relevant within and 31 outside this state and in the case of fire insurance rates, consideration 32 may be given to the experience of the fire insurance business during 33 the most recent five-year period for which such experience is available. 34 Consideration may be given in the making and use of rates to 35 dividends, savings or unabsorbed premium deposits allowed or 36 returned by insurers to their policyholders, members or subscribers.
 - (2) (A) The systems of expense provisions included in the rates for use by an insurer or group of insurers may differ from those of other insurers or groups of insurers to reflect the operating methods of any such insurer or group with respect to any kind of insurance, or with respect to any subdivision or combination thereof.
 - (B) (i) With respect to private passenger nonfleet automobile insurance, an insurer shall not allocate as flat dollar amounts to base rates: (I) Producer commissions; (II) premium taxes; (III) underwriting profits; or (IV) contingencies.
 - (ii) With respect to private passenger nonfleet automobile insurance, an insurer shall allocate as flat dollar amounts to base rates: (I) General expenses, including administration and overhead costs; (II) other acquisition costs for marketing and agent field offices; and (III) miscellaneous taxes, licenses and fees.

- (iii) Each insurer shall allocate such flat dollar amounts set forth in subparagraph (B)(ii) of this subdivision after any classification factors set forth in subdivisions (3) and (4) of this subsection have been applied to base rates.
- (3) Risks may be grouped by classifications for the establishment of rates and minimum premiums, provided that with respect to private passenger nonfleet automobile insurance, any change in territorial classifications shall be subject to prior approval by the Insurance Commissioner, and provided no surcharge on any motor vehicle liability or physical damage insurance premium [may] shall be assigned for (A) any accident involving only property damage of one thousand dollars or less, [or] (B) the first accident involving only property damage of more than one thousand dollars which would otherwise result in a surcharge to the policy of the insured, within the experience period set forth in the insurer's safe driver classification plan, [or] (C) any violation of section 14-219 unless such violation results in the suspension or revocation of the operator's license under section 14-111b, [or] (D) less than three violations of section 14-218a within any one-year period, [or] (E) any accident caused by an operator other than the named insured, a relative residing in the named insured's household, or a person who customarily operates the insured vehicle, [or] (F) the first or second accident within the current experience period in relation to which the insured was not convicted of a moving traffic violation and was not at fault, or (G) any motor vehicle infraction. Subparagraph (G) of this subdivision shall not be applicable to any plan established pursuant to section 38a-329. Classification rates may be modified to produce rates for individual risks in accordance with rating plans [which] that provide for recognition of variations in hazards or expense provisions or both. Such rating plans may include application of the judgment of the insurer and may measure any differences among risks that can be demonstrated to have a probable effect upon losses or expenses.
 - (4) Each rating plan shall establish appropriate eligibility criteria for

- determining significant risks [which] <u>that</u> are to qualify under the plan.
 Rating plans [which] <u>that</u> comply with the provisions of this subdivision shall be deemed to produce rates [which] <u>that</u> are not unfairly discriminatory.
 - (5) Notwithstanding the provisions of subdivisions (1), (3) and (4) of this subsection or chapters 701 and 705, with respect to private passenger nonfleet automobile insurance, an insurer shall not use an applicant's or insured's credit history as a factor in underwriting or rating except in accordance with this subdivision. For the purposes of this section, "credit history" means any credit-related information derived from or found in a credit report or credit scoring program or provided in an application for personal risk insurance, and "financial history measurement program" means a program that uses an applicant's credit history to measure such applicant's risk of loss.
 - (A) An insurer shall file with the commissioner any financial history measurement program it uses to underwrite or rate risks for private passenger nonfleet automobile insurance. Such filing shall (i) include a description of the program, (ii) identify the characteristics used in such program from which a measurement is derived, (iii) include the rules and procedures of such program, and (iv) include an explanation of how such program reduces the impact of credit information and items of public record on insurance rates over time. Such program shall not unfairly discriminate among applicants or produce rates that are excessive for the risk assumed.
- (B) (i) An insurer that uses a financial history measurement program shall submit to the commissioner documentation that demonstrates the correlation between such program and the expected risk of loss, and how such program impacts consumers (I) in urban territories, versus consumers in nonurban territories, and (II) based on consumers' ages. The commissioner may request the insurer to provide a financial history measurement for a set of test examples that reflect various characteristics.

- 116 (ii) An insurer that uses a financial history measurement program 117 shall disclose to each applicant for private passenger nonfleet automobile insurance at the time of application that the applicant's 118 119 credit history may be used in the underwriting or rating of such 120 applicant's policy. Such disclosure shall be in writing and shall: (I) List 121 the name, address, telephone number and toll-free telephone number, 122 if applicable, of the insurer; (II) include a statement that if credit 123 information is obtained or used, the insurer shall provide more 124 detailed information concerning how the credit information was used 125 to underwrite or rate the policy. Such information may be provided in 126 the disclosure form itself; (III) be printed in reasonably conspicuous type; (IV) be provided by the insurer electronically, by mail or by hand 127 128 delivery; and (V) contain a summary of consumer protections set forth 129 in law.
- 130 (C) (i) An insurer may use a financial history measurement program
 131 to underwrite or rate risks for new automobile insurance policies only,
 132 except that an insured may request to be reevaluated upon renewal
 133 through such program based on current credit history.
- 134 (ii) An insurer shall not use the following characteristics in a 135 financial history measurement program: (I) The number of credit 136 inquiries in an applicant's credit report or credit history; (II) the applicant's purchase or financing of a specific item; (III) the applicant's 137 use of a particular type of credit card, debit card or charge card; (IV) 138 139 the applicant's total available line of credit; (V) any disputed credit 140 information while such dispute is under review by a credit reporting 141 company; (VI) debt incurred by the applicant from financing hospital 142 payments or medical expenses; and (VII) the applicant's lack of credit 143 history.
 - (D) (i) An insurer shall not use an insured's or applicant's credit history or a financial history measurement program if such history has been adversely impacted by an extraordinary life circumstance that occurred not later then three years before the date of application. As used in this subparagraph, "extraordinary life circumstance" means (I)

145146

- an acute or chronic medical condition, illness, injury or disease, (II)
- divorce, (III) the death of a spouse, child or parent, (IV) the involuntary
- 151 loss of employment for more than three consecutive months, (V)
- identity theft, (VI) total or other loss that makes a home uninhabitable,
- 153 or (VII) other circumstances as adopted in regulations by the
- 154 <u>commissioner</u>, in accordance with chapter 54.
- 155 (ii) An insurer may request documentation and additional
- 156 information from an applicant to verify the occurrence of the
- extraordinary life circumstance. Such request shall be made in writing
- on a standard form that has been approved by the commissioner. Any
- such documentation or information shall be kept confidential.
- 160 (E) After an insurer's financial history measurement program has
- been in effect for two years, such insurer shall submit a report to the
- 162 commissioner on the use of such program in the state. Such report
- shall include information that demonstrates that such program results
- in rates that are supported by the data and that are not unfairly
- discriminatory, and an analysis of consumer complaints to the insurer
- 166 resulting from such insurer's use of a financial history measurement
- program, such that is sufficient to identify the basis for the complaints
- and any subsequent insurer action.
- (c) Notwithstanding the provisions of subsections (a) and (b) of this
- 170 section, no rate shall include any adjustment designed to recover
- 171 underwriting or operating losses incurred out-of-state.
- 172 (d) (1) The commissioner [may] shall adopt regulations, in
- accordance with the provisions of chapter 54, concerning rating plans
- 174 [to effectuate the provisions of this section] and any provisions that
- 175 pertain to the underwriting, classification or rating of risks for
- automobile insurance in this state.
- 177 (2) Not later than January 1, 2010, the commissioner shall adopt by
- 178 regulation, in accordance with chapter 54, the most current guidelines
- and bulletins issued by the department and in effect that pertain to the

- 180 <u>underwriting, classification or rating of risks for automobile insurance</u>
- in this state, including, but not limited to, the weight assigned to
- 182 <u>individual territorial loss cost data and state-wide average loss cost</u>
- data for territorial classifications.

- Sec. 2. Section 38a-358 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective October 1, 2009*):
 - (a) The declination, cancellation or nonrenewal of a policy for private passenger nonfleet automobile insurance is prohibited if the declination, cancellation or nonrenewal is based: (1) On the race, religion, nationality or ethnicity of the applicant or named insured; (2) solely on the lawful occupation or profession of the applicant or named insured, except that this provision shall not apply to any insurer which limits its market to one lawful occupation or profession or to several related lawful occupations or professions; (3) on the principal location of the insured motor vehicle unless such decision is for a business purpose which is not a mere pretext for unfair discrimination; (4) solely on the age, sex or marital status of an applicant or an insured, except that this subdivision shall not apply to an insurer in an insurer group if one or more other insurers in the group would not decline an application for essentially similar coverage based upon such reasons; (5) on the fact that the applicant or named insured previously obtained insurance coverage through a residual market; (6) on the fact that another insurer previously declined to insure the applicant or terminated an existing policy in which the applicant was the named insured; [or] (7) the first or second accident within the current experience period in relation to which the applicant or insured was not convicted of a moving traffic violation and was not at fault; or (8) solely on the basis of information contained in an insured's or applicant's credit history or credit rating, or solely on the basis of an applicant's lack of credit history. For the purposes of subdivision (8) of this subsection, an insurer shall not be deemed to have cancelled, nonrenewed or declined a policy if coverage is available through an affiliated insurer.

- 213 (b) (1) If an insurer takes an adverse action that is due at least in part
 214 to the information contained in an insured's or applicant's credit
 215 report, such insurer shall (A) disclose to such insured or applicant that
 216 such adverse action was based on the credit report of such insured or
 217 applicant, and (B) inform such insured or applicant that such insured
 218 or applicant is entitled to a free copy of such credit report and where
 219 such report can be obtained.
 - (2) An adverse action includes (A) the denial of coverage to an insured or applicant or the offering of restricted coverage, (B) the denial of a discounted or lower rate to an insured or applicant, (C) the offering of a reduced discount to an insured or applicant, (D) the offering of a higher rate, (E) the assignment of an insured or applicant to a higher rate tier or to a higher-priced company within an insurer group, or (F) any other action that adversely impacts an insured or applicant due to the financial history measurement program.
- Sec. 3. Section 38a-343 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective October 1, 2009*):
 - (a) No notice of cancellation of a policy to which section 38a-342 applies [may] shall be effective unless sent, by registered or certified mail or by mail evidenced by a certificate of mailing, or delivered by the insurer to the named insured, and any third party designated pursuant to section 38a-323a, at least forty-five days before the effective date of cancellation, except that (1) where cancellation is for nonpayment of the first premium on a new policy, at least fifteen days' notice of cancellation accompanied by the reason for cancellation shall be given, and (2) where cancellation is for nonpayment of any other premium, at least ten days' notice of cancellation accompanied by the reason for cancellation shall be given. No notice of cancellation of a policy which has been in effect for less than sixty days [may] shall be effective unless mailed or delivered by the insurer to the insured and any third party designee at least forty-five days before the effective date of cancellation, provided (A) at least fifteen days' notice shall be given where cancellation is for nonpayment of the first premium on a

The notice of cancellation shall state or be accompanied by a statement specifying the reason for such cancellation. Any notice of cancellation for nonpayment of the first premium on a new policy may be retroactive to the effective date of such policy, provided at least fifteen days' notice has been given to the insured and any third party designee and payment of such premium has not been received during such notice period.

(b) Where a private passenger motor vehicle liability insurance company sends a notice of cancellation under subsection (a) of this section to the named insured of a private passenger motor vehicle liability insurance policy, or a third party designee, such company shall provide with such notice a warning, in a form approved by the Commissioner of Motor Vehicles and the Insurance Commissioner, which informs the named insured that (1) the cancellation will be reported to the Commissioner of Motor Vehicles; (2) the named insured may be receiving one or more mail inquiries from the Commissioner of Motor Vehicles, concerning whether or not required insurance coverage is being maintained, and that the named insured must respond to these inquiries; (3) if the required insurance coverage lapses at any time, the Commissioner of Motor Vehicles may suspend the registration or registrations for the vehicle or vehicles under the policy and the number plates will be subject to confiscation and any person operating any such vehicle will be subject to legal penalties for operating a motor vehicle with a suspended registration; (4) the named insured will not be able to have the registration restored or obtain a new registration, or any other registration or renewal in the insured's name, except upon presentation to the Commissioner of Motor Vehicles of evidence of required security or coverage and the entering into of a consent agreement with the commissioner in accordance with the provisions of section 14-12g.

 - [(c)] (d) This section shall not apply to nonrenewal or if the private passenger motor vehicle liability insurance policy is transferred from an insurer to an affiliate of such insurer for another policy with no interruption of coverage and contains the same terms, conditions and provisions, including policy limits, as the transferred policy, except that the insurer to which the policy is transferred shall not be prohibited from applying its rates and rating plans at the time of renewal.
- Sec. 4. Section 14-12h of the general statutes is repealed and the following is substituted in lieu thereof (*Effective October 1, 2009*):
 - (a) The Commissioner of Motor Vehicles shall compile and maintain a record of all registrations suspended in accordance with the provisions of sections 14-12c and 14-12g. The commissioner shall update the information contained in such record not less than once per week and shall make available to all law enforcement agencies in this state a list of all registration number plates for vehicles whose registration has been suspended. Such list shall contain the number plate numbers, letters or number and letter combinations and the address at which the vehicle was registered. The commissioner may make available the entire list or a portion thereof and may utilize one or more formats for presenting the information contained therein to facilitate its use.

If any police officer, motor vehicle inspector or constable observes a motor vehicle parked in any parking area, as defined in section 14-212, and such motor vehicle is displaying registration number plates identified as suspended on the list made available by the commissioner, such police officer, motor vehicle inspector or constable is authorized to remove the registration number plates from the vehicle and to return them to any branch office of the Department of Motor Vehicles. If a number plate is identified as suspended on the list provided by the commissioner and such identification is in error, the state shall indemnify any police officer, motor vehicle inspector or constable for any claim for damages made against that individual as a result of such individual's good faith reliance on the accuracy of the list provided by the commissioner regarding the confiscation of number plates.

- (2) If any police officer observes a motor vehicle being operated upon the public highway or parked in any parking area, as defined in section 14-212, displaying registration number plates identified on the list made available by the commissioner as being suspended, such police officer may seize and impound the vehicle. If a police officer seizes and impounds a vehicle pursuant to this subdivision, such officer shall give notice to the commissioner in such form as the commissioner may require. The police officer shall give such notice not later than three days after seizing and impounding the vehicle.
- (c) Any motor vehicle [which] that has been impounded in accordance with the provisions of subdivision (2) of subsection (b) of this section shall not be released to the owner or person otherwise entitled to possession of the vehicle unless such owner or person presents a valid registration and a current automobile insurance identification card.
